

Leisure and Environment Chairman report – July 2017

As there were no decisions needing to be taken, there was no meeting held in June. However, we did hold a consultation event on the 24th June to seek the public's views on the possibility of an outdoor adult gym. This was well attended with over 50 responses from members of the public. Thank you to all the Councillors who gave up their time to help at this. This will form the basis for discussion at the next L&E meeting, and findings will be brought to Full Council in September.

I am aware that footpaths are being cut back by HCC, and we are also grateful to Walkers Are Welcome and the Explorer Scouts who have also been clearing paths.
